SECRETARIAT III 30 JAN 1922 MILITARY & MISCELLANEOUS

Subject.

Statement of comparative progress of Census Operations in British Indian Provinces and in Mysore.

SIR,

I have the honour to forward herewith, for the information of Government, a copy of the comparative statement showing the progress of post Census (or Abstraction and Tabulation) Operations in British Indian Provinces and Indian States (including the Mysore State) received with Census Commissioner's No.61 dated the 20th January 1922.

2. It will be seen therefrom that the progress of Census work in the Mysore State has been on the whole, satisfactory.

3. The entry "Nil" in the fourth column of the Census Commissioner's statement is based on a misapprehension as the compilation of Table XIV was in progress here at the time. This will be brought to the notice of the Census Commissioner separately.

I have the honour to be,
Sir,
Your most obedient servant,

Census Superintendent in Mysore.
